Subject: Docket No. 2021-316-C - Application of Lynches River Communications, Incorporated for Designation as an Eligible Telecommunications Carrier

To the Parties, and, particularly, to Ms. Rhaney and Mr. Elliott:

As Mr. Elliott will recall, Commissioner Carolee Williams pointed out that the Stipulation between Lynches River and ORS contained an out-of-date statute describing ORS's authority. This Stipulation was placed in the record at the time of the hearing as a Hearing Exhibit. However, Mr. Elliott stated that he would seek to correct the discrepancy and that the parties would be filing a corrected Stipulation. This document has not been received, and the purpose of this e-mail is to remind the parties of this issue. (Please note that the Lynches River ETC matter is presently on the agenda for Commission consideration at tomorrow's business meeting.)

Thank you in advance for your consideration in this matter.

Regards,

David Butler
